

Dear visitors,

please observe the following to protect yourself and others.

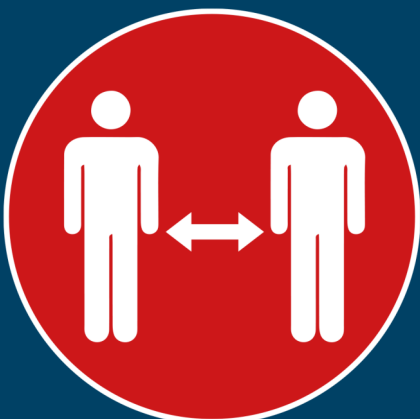

Wear an FFP2 mask

Please wear an FFP2 mask when you enter the clinic and for the entire duration of your stay in the clinic and on the clinic grounds.

Regularly disinfect your hands

- when entering/leaving the hospital
- when entering/leaving the patient room
- after contact with mucous membranes (blowing your nose) / after using the facilities (toilet) / after washing and drying your hands

Keep a safe distance

Keep a distance of 1.5 m between yourself and others once you enter the hospital. Also keep this distance in the patient room.

Avoid hugging. Do not attempt to nurse the patient. Please call the nursing staff for this.
